YOUTH, COMMUNICATION & INFORMATION 6.3.2018 MINUTES

Welcome and attendance list

1. Tour de table

Experiences and activities from member countries, plans for the future.

2 activities with very good public response:

- TV show about pigeon sport on private TV channel in Belgium
- Very interesting project in Germany – “Tag der Brieftaube” – “Day of pigeon” or “Day of pigeonsport”. This is new activity (planned for 15.4.2018). The aim is to promote pigeon sport, to create a positive view of public on pigeon sport. Its big project ... and we are curious about the outcomes of this initiative.

Both activities were strongly supported (financially and organizationally) by national federations.
