## **INVITATION**

**for participation at FCI World Championship 2021**

**To All National Federations of FCI**

The love for the pigeons does not know the borders in the world. Our feathered pets give us the strength and support to overcome the problem that befell hole world.

FEDERATION COLOMOPHILE INTERNATIONALE – FCI is our family. Gathered together, we develop the love for pigeons, the cooperation between the breeders, the National federations, the members of the FCI, to promote and develop pigeons sport in the world and to create the Nation federations in countries where they do not exist.

FCI, led by Mr. Istvan Bardos and his associates, is working to establish cooperation among national federations by organizing regional international conferences and on

development of FCI Racing Pigeons Grand Prix OLRs. In 2020, under very difficult conditions caused by Covid-19, FCI organized 38 FCI Racing Pigeons Grand Prix, OLRs around the worlds.

Decision of the FCI to give a chance to Serbia and Serbian National federation to organize and realize the **FCI World Championship 2021** is a great honor and recognition to Serbian breeders whose National federation exists since 1954

Serbia is a country with a rich sports tradition, a country that was the organizer of major European and World sports competitions, a country of famous athletes who won European and World medals, a country where great love for sport pigeons is cared and where pigeon sport competitions are organized every year.

Serbian racing Pigeon Federation decided that **FCI World Championship 2021** will be held at location of FCI OLR Belgrade ACE the Winner together with FCI Racing Pigeons Grandprix OLR which is organized at the same location.

Mr. Čedomir Vukčević has been appointed as manager of the **FCI World Championship 2021**.

The ORGANIZER of the **FCI World Championship 2021**, hereby INVITES ALL National federations, the members of the FCI, to include in the program of their activities for 2021 the participation of their National Team in the **FCI World Championship 2021** which will be held in Serbia.

We wish that is Serbia, at the **FCI World Championship 2021** all National federations, members of the FCI, take part.

This is an opportunity for every National federation select the best pigeons from their best breeders and to compare their quality in one place, under the same conditions by participating in the **FCI World Championship 2021** in Serbia.

Serbia is ready and wants to welcome the National teams of all National federations, regardless of where they come from and this is unique opportunity to compare the pigeons of European, Asian, American, Arab, African and Australian breeders in one place.

We invite the National federations, members of the FCI, to establish individual contact and to resolve technical details that would enable that your representation arrive in Serbia and take part in the **FCI World Championship 2021**.

Dear,

Together with his invitation, we are sending a form for applying the participation of your national team. Please make a decision **within 15 days** and apply the participation of your national federation team in the **FCI World Championship 2021**.

Bearing in mind that the Olympics was canceled, **FCI World Championship 2021** is the only event in 2021 that will bring us together to present the best descendant of pigeons from your countries and to compare them.

**FCI World Championship 2021** is a test for all of us, to show our determination that in these difficult health conditions for humanity, we can participate and organize such a great competition.

Kind regards
